Work United

MULTI LOADER 3.0 FX

COMPACT. POWERFUL. JOB-SITE READY.

When space is tight and loads are heavy, the 3.0 FX delivers precision, performance and adaptability.

Built for demanding environments, the Multi Loader 3.0 FX offers a rated capacity of 3,000 kg in a highly compact tracked carrier. Featuring extendable support beams and a 360° swivel platform, it's engineered for manoeuvrability, site-access ease and heavy-duty lifting in confined or challenging conditions.

KEY BENEFITS

- High lifting capacity in tight spaces**
Despite its compact size, the 3.0 FX handles up to 3000 kg of load.
- Precision control & versatility**
The swivel platform with 15 positions makes load orientation easy and efficient.
- Adaptable support system**
Telescopic support beams extend longitudinally or laterally for extra stability when carrying large or awkward loads.
- Quiet, clean operation**
A fully electric drive system with non-marking tracks means it's suited for both indoor and outdoor use, with minimal disturbance.
- Efficient uptime**
Removable battery pack supports up to 7 hours of operation; rapid recharge times keep downtime low.

FEATURES SUMMARY

TECHNICAL DATA	ML 3.0 FX
Rated capacity	3000kg
Max gradient	45°
Height	540mm
Dimensions	790mm W x 1780mm L
Track width	1300mm
Ground clearance	40mm
Max speed	4.2km/h
Gross weight	760kg
Controller	remote radio control
Fully electric drive	AC Motors (2 x 5.3KW)
Tracks	non-marking
Swivel platform	360° with 15 positions
Platform stability	extendable telescopic support beams
Operation hours	up to 7 hours (ours has the larger battery)
Hazard lights	front & rear
Alarm	automatic tilt with speed reduction

TYPICAL APPLICATIONS & USE-CASES

- Transporting heavy equipment and materials**
Across site, especially where access is limited or terrain is tricky.
- Indoor and outdoor use**
Thanks to quiet, zero-emissions electric drive and non-marking tracks, it's ideal for sensitive floor surfaces.
- Confined spaces or steep gradients**
With a 45° gradient rating and compact dimensions, it climbs and maneuvers where many machines struggle.
- Rental applications**
Plant hire fleets, building refurbishments, industrial sites, utilities and plant relocation tasks.

SAFETY & RENTAL-READY FEATURES

- Certified**
To Australian standards
- Electric drive**
Reduces noise and fumes for safe indoor use or semi-enclosed spaces.
- Non-marking tracks**
Protect finished surfaces
- Remote control**
Simplifies operator positioning and safe load handling.
- Telescopic support beams**
Ensure stability during load manoeuvres; tilt alarm feature adds safety margin.
